6. ORGANIZATION AND PRINCIPLES OF THE COMPETITION

Wines will be evaluated by the 100-point system UIE & OIV

The process of evaluation will be overseen by the president of the competition:

Prof. Ing. Fedor Malik DrSc.

Committee members will evaluate the wines anonymously at the roundtable.

Professional tasting will take place one day. The tasted samples will be assessed by the competition category, year and by general principles of sensory evaluation of wine.

Wines will be poured into the tasting glass anonymously, without specifying the variety and adjective. Presidents and members of the five-member evaluation commission will be named by the presidency. Individual members of the commission will work alone and discuss at the roundtable. The grade of rated wines will be the figure, which emerges from the calculated average of the three internal values after eliminating the highest and lowest values.

Each evaluation committee shall forward a wine selected for the final shootout. Laboratory sugar content in g /l will be provided on the winning wines from the shootout. In a case of false designation of category the received medals will be unrecognized. One wine can get only one major award. Wine valued in recent years of VA MODRA cannot get the main price.

6.1 SCORING

- Grand Gold Medal from 92.00 to 100.00 points
- Gold Medal from 88.00 to 91.99 points
